

Instructions

1. Send the gift certificate to your personal email. You should receive another email after the order confirmation. It should contain **a code with letters and numbers** - do not click this link!

* If you can't find it, **check your spam or junk folder**. If you don't receive the order confirmation or a secondary email with the code, please reach out to customer service at **info@sweetmarias.com**.

2. Before filling out the blanks and writing down the code, double check any letters that could be confused with numbers, e.g. I's and 1's. **If the code is a letter or number off, it will not work.**

3. Fill out the blanks, and cut the bottom half of this sheet to gift to your friend, family or loved one. Enjoy!

For best results, print this sheet at 100% scale on a letter sized sheet of paper. If you have the option, in color, though it will look great in black and white too. :-)
